## ALMA MATER

Like a wave, a mighty city  
Surging 'round our feet,  
Guide it, train it, teach it wisdom  
Alma Mater, sweet!

Forward, forward, Bossier High School  
Time and tide may fail,  
But our hearts will love thee ever  
Alma Mater, hail!

# DEDICATION

A familiar scene in the cafeteria.

Proudly, we hail the dedication of the 1957 Les Memoires. In selecting the individual for this year's dedication, the staff believes that we have chosen one whose many years of service to Bossier High School have made her a beloved teacher and friend to all who know her.

She began her teaching career in mathematics at Bossier in 1942 where she has passed on her wealth of knowledge to more than 1500 students.

Always, in preparing students for the future she has tilled the soil with greatest care and sown the best seed available. With the panorama of students she has served passing through our minds, we glance from face to face of those who have reaped the benefit of an education under her guidance, and on many lives we see the clearly defined stamp of her influence.

In reminiscing, we think of the many kind and loving words spoken to her students . . . the seeds of sound doctrine that have been scattered abroad in her classes . . . the spring of her walk . . . the bright smile . . . the kindness—all of these and many other golden characteristics make up the woman to whom we humbly dedicate the 1957 Les Memoires, Mrs. Frances O'Neal.

She is always ready to give individual attention.

# THE PRINCIPAL

MR. FRANK M. TAMPRIN

MR. RUPERT G. MADDEN  
Assistant Principal

MRS. KATE B. GAMBLE  
Guidance Counselor

A man of calm strength and quiet-spoken dignity, Mr. Frank M. Lampkin is now completing his first year as principal. Teachers and students go to him for advice and encouragement. Although quiet and unhurried Mr. Lampkin keeps things moving, and to have his support means success for any project.

Mr. Lampkin has as his able assistant Mr. Rupert G. Madden. Mr. Madden works long and tirelessly to serve the faculty and student body. His serious, yet friendly, approach to all their problems sets a higher standard for the school.

Rossier High students are fortunate to have as their guidance counselor Mrs. Kate B. Gamble. A true friend and confidante, Mrs. Gamble makes every effort to help each student solve his problems and develop as an individual.

## THE 1956 HOMECOMING

The Queen is crowned

The Homecoming celebration was one that everyone at Bossier High participated in with great enthusiasm. The event was begun with a parade in which many groups including the Queens and Maids, were driven in convertibles by prominent men of Bossier. There was a tea in the early afternoon for the court. The game that night with North Caddo was won by Bossier, adding joy to the after-game dance which climaxed the Homecoming festivities.

The court consists of the Queen elected by the Senior class, the Football Sweetheart by the Football team, the Band Sweetheart by the Band and two maids from each class.

STANDING — Mrs. Kate Gamble, Sponsor, Truly Wayne McDaniel, Lucretia Holmes, Edwina Cheatwood, Marcy Jo Deacon, Eurlayne Howell, Mary Shadow, Mary Frances Jones, SEATED—FIRST ROW: Carolyn Scorsone, Judy Murray, Marjorie Beckham, Bill Luttrell, Betty Hall, Linda Cater, Betty Campbell, Barbara Teague, John Mercer, SECOND ROW: Jimmie Matheny, Joe Ahlers, Freddie Walters, THIRD ROW: Charles Romer, Suellyn White, David Colvin, FOURTH ROW: Christine Hennen, Linda McKaskle, Marshall Oglesby, Carolyn Lombardino, Betty Graham, David McGowen, Sandra De Lashaw, George Nattin, Donald Young

Always one of the most outstanding organizations of Bossier High is the Student Council. This year we consider it even more outstanding because this is the first year the council has been headed by all girl officers. All B.H.S. agree that better ones couldn't be found.

The Student Council is really the backbone of the way our school is run but we will mention only a few of the most important events it has taken part in this year.

The council has sponsored the annual Popularity Contest and the election of the cheerleaders at the end of the year. They also sponsored the Back-to-School Soc-Hop, the annual Christmas Dance, and other dances.

One of the most important events of the year was "Youth Week" which is sponsored and planned by the student councils of Bossier, Byrd, and Fair Park.

They also published new directories for the students and faculty this year. Another thing accomplished this year was the dedication of a beautiful glass-framed "Before Meal Prayers"—Catholic, Protestant, and Jewish—to the school to be hung in the Cafeteria for all to use.

We are certainly proud of the 1956-57 Student Council of B.H.S. and we consider this to be one of the most faithful, hard-working, and outstanding groups yet.

## LES MEMOIRES

Les Memoires is a symbol of cooperation. This cooperation exists between administration, faculty, staff, student body, and the engravers. It is concrete evidence that many endless hours of toil have realized fruition. The work necessary to publish a modern yearbook is beyond the comprehension of the uninitiated. It attempts to picture for you the entire school year and, no matter what path you take in life, we hope it will always arouse poignant memories of your years spent at B. H. S.

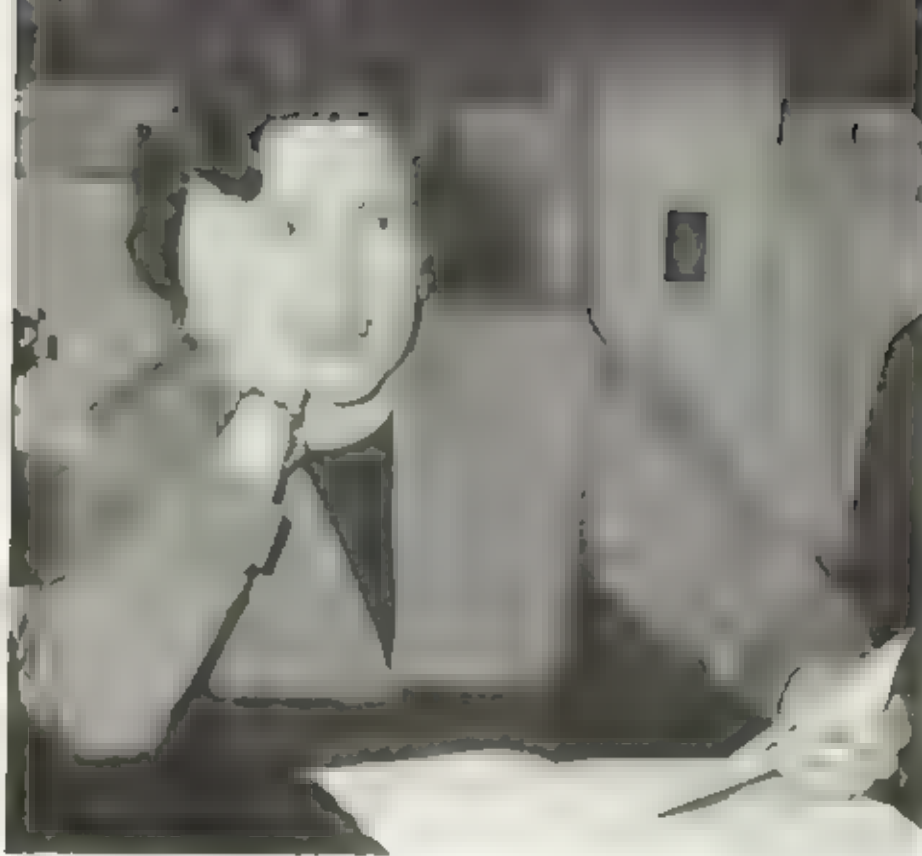

With this arrangement and presentation, the Les Memoires staff hopes its efforts have paid off in the only true criterion of success—student satisfaction

## B. H. S. BAND

The Bossier High School Band won national recognition and acclaim on June 27, 1956 when it made its triumphant march in Miami, Florida, to win first place in the Lions International Parade. The band has traveled extensively from New York down through the eastern states to the tip of Florida, from Chicago to Canada, and now has tentative plans for a trip to San Francisco.

## PEP CATS

The Pep Kats were organized in 1953. They have supported the football and basketball teams, sponsored dances after football games, and collected money for the Joy Fund.

Within the club the Pep Kats made many changes. This year new members were initiated, new skirts were chosen, adding to appearance of the group. A new constitution was adopted, helping the government to run smoothly.

The Pep Kats have made vast strides this year, and they hope to have a bigger and better organization in the years to come.

## NATIONAL HONOR SOCIETY

These students were honored by election in their Junior year

The Bossier Chapter of the National Honor Society was organized in the year 1951-52. Since then seventy-three students have been elected to membership. No honor conferred by the school excels that represented by membership in this society. Five per cent of the junior class and ten per cent of the senior class may be selected. To be considered for membership the students must stand in the upper third of their respective classes scholastically. From these the faculty chooses impartially and conscientiously those who best express the additional requirements of leadership, character, and service.

An outstanding assembly each year is the National Honor Society assembly given during the last six-week period. It is at this assembly that the names of new members are announced. The beautiful induction ceremony is held later in the evening thus enabling parents to be present.

Members of Les Memoires and Bear Facts enjoy the conference at Louisiana State University.

The foremost aim of Quill and Scroll National Honorary Society is to foster higher standards of journalism in high school publications. Students who are selected for membership are chosen from publications staffs of Bear Facts and Les

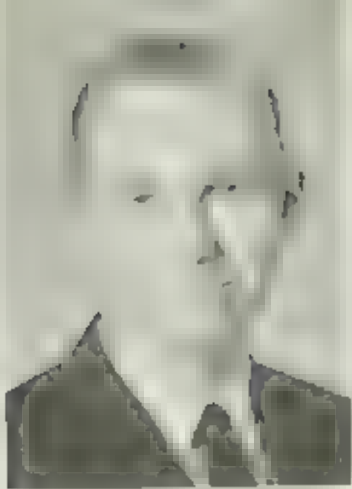

Memoires. They must be a junior or senior, rank in the upper third of their class in general scholastic standing, must be recommended by the publications advisor, and approved by the Executive Secretary of the Society.

## PELICAN STATES

During the month of August, 1956 the annual sessions of Pelican State were held on the Louisiana State University campus in Baton Rouge.

The delegates, who are elected by the faculty, possess the outstanding qualities of leadership, character, cooperativeness and scholarship. Meeting with representatives from high schools all over the state, they follow a program planned by the American Legion designed to acquaint young people with the functions of their government and enable them to grasp the meaning of some of the responsibilities which they will be called upon to assume when they become an adult. Representing Bossier were three boys and three girls.

Officers were held by Linda Pate, Senator; Marcy Deacon, Senator; Sandra DeLashaw, Fire Chief; George Lumsden, Sergeant at Arms for the House of Representatives; Jerry Swint, Commissioner of Utilities, and John Rusca received a trophy for best city reporter and clerk.

# NATIONAL THESPIAN SOCIETY

During the past three years this national organization has done very well at Bossier High School.

This year the Thespian membership is large and is composed of those who have earned ten points from some form of stage production. Those "Understudies" belong to the Dramatics Club and will receive their required number of points by their projects.

Fortunately several Thespians are in the Speech II class and studying Drama the first

semester has taught them much in play production.

This year at mid-term there were several Star Thespians. They were Linda Trojan, Martha Cain, Paul Thomas, and Kenna Stephens, the first to receive this honor at Bossier High School.

Miss Charlotte Jaynes, Troupe Sponsor, has done much to interest students in this work and is a good leader and teacher in the work of the stage. Her students admire her and make the work fun and pleasure, when preparing for stage productions.

## CHEERLEADERS

Our cheerleaders strutting their stuff.

The office of cheerleader is one whose duties far exceed what meets the eye. After the elections the new cheerleaders begin at once to make plans for the next year. Practice begins and continues throughout the whole year. Making posters for the games, decorating the goal posts, planning the pep meetings and skits, making a hoop for the team to run through, and yelling at the games are a few of their jobs.

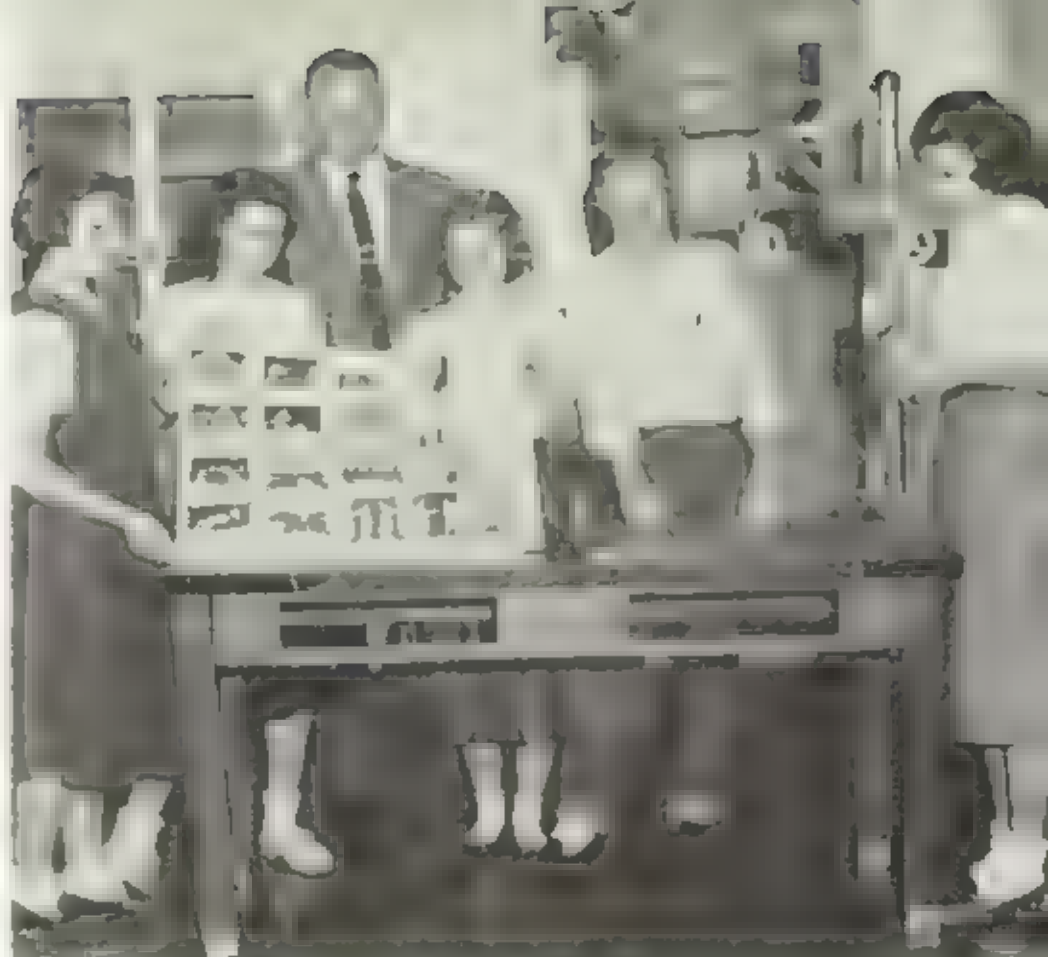

These jobs are all part of the fun, thrill, and honor of being a cheerleader. They also obtain new skills, make a harvest of friends, and have the honor of serving the school.

On behalf of the student body we wish to thank these girls for their time and talents so freely given.

The Bossier Camera Club was organized to help students understand photography in all of its fields, and to make pictures for Bear Facts, Les Memoires, Clubs, and all activities.

This year's Camera Club members, with the help and encouragement of their sponsor, Mr. Kaylor, have completely equipped a dark room. All equipment and supplies needed in maintaining an efficient dark room have been paid for by picture sales of pictures made by the club. The new equipment and Mr. Kaylor's enthusiasm plus hard work have done much to promote the interest of the club members

# BEARKATS

## BEARKATS FINISH WITH SIX

In spite of unfortunate breaks in the weather and a series of crippling injuries, the 1956 Bearkat football squad went through a highly successful season.

Coach Bill Maxwell's gridiron warriors wound up with a six won, four lost record in overall play and finished second behind Minden in the IAA district with four victories and a single defeat.

The Bearkat offense featured a quintet of speedy, quick-hitting backs operating behind a line which consistently got the jump on the opposition.

This fast-break attack off the split-T setup unfortunately ran into the weather handicap in two of the most important contests for the Bearkats.

Fair Park of Shreveport, an AAA title contender, defeated the Bearkats, 20-6 on a rain-soaked field. Superior weight in both line and backfield gave the Indians a big advantage with Don Mullins, 188-pound halfback, reeling off runs of 60 and 50 yards. Jim Orton lugged a Bearkat punt 78 yards for another score.

Bossier City's scatbacks were handicapped by the muddy field with Jimmy Gault, Seaburn Lee, John Mercer and Jimmy Hoopes unable to cut quickly on the soft turf. Mercer scored the Bearkat touchdown on a reverse play which went 30 yards.

Rain fell in sheets at Minden Nov. 2 when the Bearkats lost 12-6 to the Crimson Tide in the game which meant the IAA district title. Again, the sodden underfooting helped to stop the flashy Bearkat attack. The heavier Minden line opened holes for Sam Smiddy twice, good for touchdowns. Jimmy Gault bulled over from the one for the only Bearkat score.

The Green and White reeled off four straight wins at the start of the season.

Gault sprinted for two touchdowns, 22 and 20 yards and Seaburn Lee scored another as the Bearkats romped past Bastrop in the season's opener, 19-12.

Gault and John Mercer were the offensive stars the following week when the Bearkats trounced Jonesboro-Hodge, 32-6.

Homer's Pelicans were the next victims in a 34-0 cake-walk for the Maxwell crew. After a sluggish first quarter, quarterback Bud Laughlin took charge of the Kat offense and romped for three touchdowns. Laughlin dazzled the unorthodox Pelican defensive alignments with roll-outs, the option play and the naked reverse. Jimmy Hoopes hit the scoring column with a crack off tackle from three yards out and Darcey Ambrose boot-legged the ball over from the end.

Jimmy Gault again paced the Bearkat speedsters to a 32-6 win over St. John's.

Quarterback Bud Laughlin on a kickoff return against North Caddo.

## WINS AND FOUR LOSSES

Blue Flyers of Shreveport. Jimmy dashed 66 and 30 yards, Lee tallied on a seven-yard smash while Jim Hoopes and John Mercer each added a touchdown.

A heart-breaking fumble on the goal line in the final seconds of play cost the Bearkats a 12-6 setback by the Byrd Yellow Jackets at Fair Grounds Stadium. The Kats were trailing 12-6 and were driving for the touchdown which would have meant a 12-12 tie or a 13-12 victory. Seaburn Lee cracked over left tackle and was on the goal line when a Jacket lineman stole the ball and recovered on the Byrd one-yard line.

Jimmy Hoopes brought the big crowd to its feet when he broke through left guard on the Bossier City four and sprinted 96 yards for a touchdown. Guard Rupert Procell, who was the best lineman on the field, threw the key block to spring Hoopes loose for his dash. Procell, a candidate for a state honors played himself into a state of exhaustion against the Yellow Jackets.

The Bearkats rebounded from the Byrd defeat the following week to knock over highly-regarded Springhill, 26-7. In the contest billed as a championship struggle, the Bearkats could do no wrong. End Ken Wilbur took a pass from Bud Laughlin good for 23 yards and the first touchdown. Jimmy Gault dashed 48 yards through and around the Lumberjacks for another score and

All-City Players: Ken Wilbur, Jimmy Hoopes, Rupert Procell

Jim Hoopes reeled off a 23-yard touchdown canter on his favorite reverse play. Seaburn Lee rammed over from the one for the other Bearkat score. Big Donald Sessions bulldozed from the one for Springhill's only touchdown. The Bearkat defense bottled Sessions and his run-pass attack throughout except for the final minutes when substitutes were in the Kat lineup. Procell, Al Glass, Don Scroggins, Andre Kurkiewicz, Mel Statham and Ronnie Jones were the defensive stars for the night.

After losses to Fair Park and Minden the Kats trampled little North Caddo and gained revenge for the 1955 upset. Mercer galloped 35 yards for one score, Laughlin turned an end for another and Lee tallied a third. Highlight of the game was an 85-yard scoring ramble by Rupert Procell who grabbed a Rebel fumble from the air and took off ahead of some deadly blocking which enabled him to out-distance pursuit.

John Mercer recovered a fumble and Bud Laughlin scored from 15 yards out to give the Bearkats their only touchdown at Haynesville. The Golden Tornado was high for the game and won, 19-7.

It was significant that the Bearkats were beaten by district champions. Byrd took the 1AAA crown, Minden finished ahead of the Bearkats in 1AA district with five wins and no losses while Haynesville went into the

2AA playoff with Neville of Monroe. The Bearkats were in contention for the 1AA crown until the last game of the regular season when Minden defeated Springhill for a clear claim to the title.

The season brought a flock of injuries which hurt the Bearkats in their bid for the championship. Seaburn Lee, Jim Gault, Ronnie Jones, Jimmy Garrett, Andre Kurkiewicz, John Stuckey and John Mercer were all victims of injuries at one time or another during the season. Jones missed the Fair Park game after under-going an operation for appendicitis the previous night. Sports writers doubt that Fair Park would have scored on the Bearkats had Jones been at his end position.

Procell, who was named All State "AA" tackle by the Associated Press, was the all-around star throughout the season. Rupert "The Rock" coupled burning desire with speed and experience to sparkie both on offense and defense. He was a deadly blocker for the fast Bearkats backs and often went downfield to throw a second block after springing the ball carrier loose at the line of scrimmage. Procell weighed 155 pounds throughout the season.

Aside from Procell, it was difficult to choose individual stars of the Bearkats. Even the reserves played well when called upon.

## NINTH GRADE LITTLE KATS

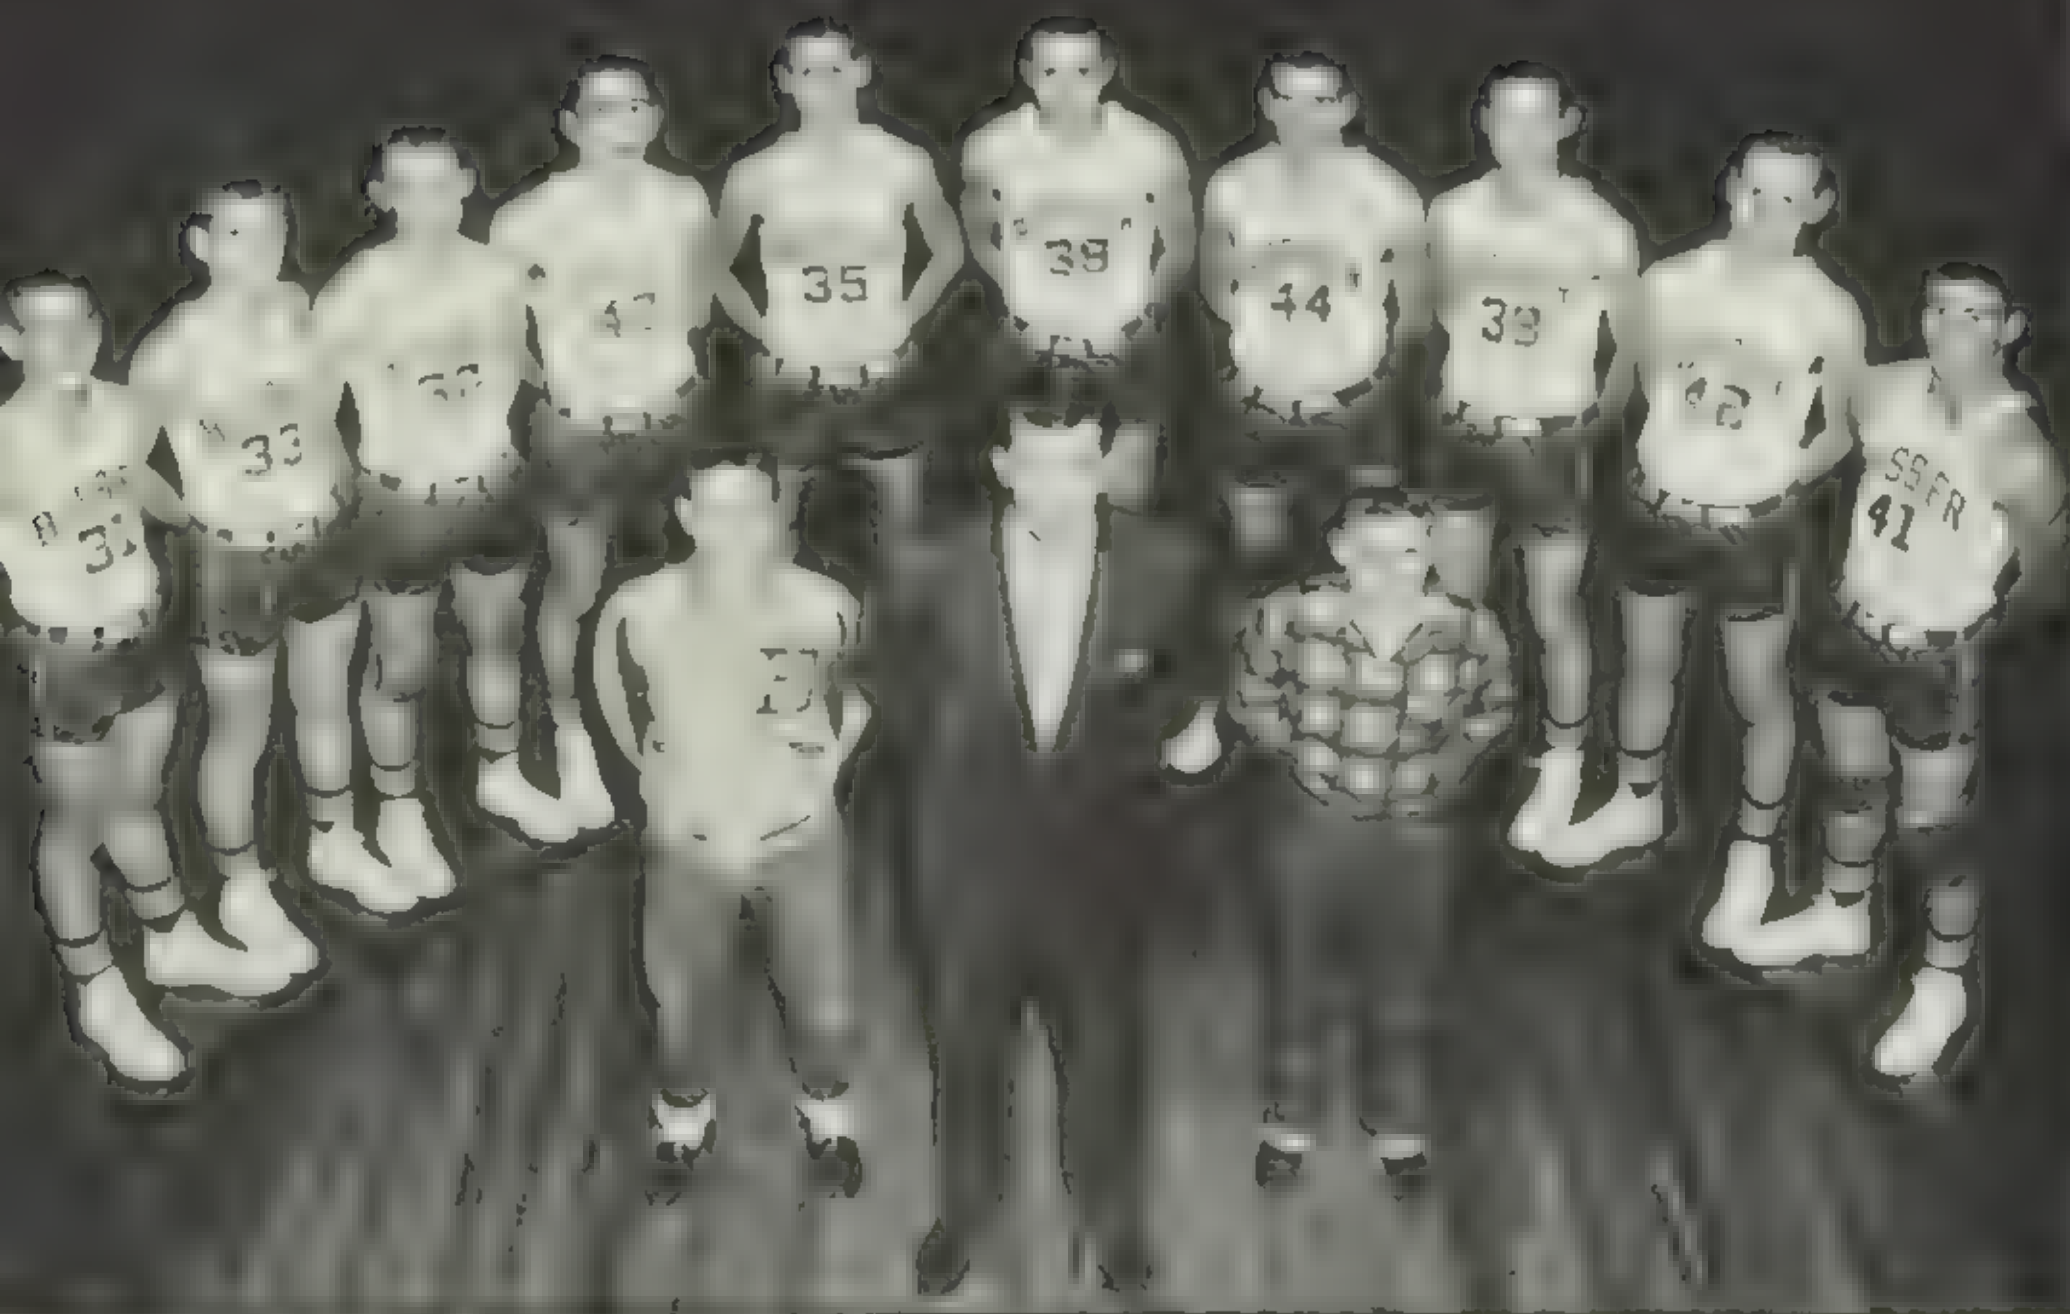

The freshman football squad played a regular "AA" district schedule for the first time, last season. They compiled a 3-3 won and lost record which was considered very good for young Kats. The squad was hampered the latter part of the season with in-

juries and most of the future Kats were required to go the distance in both offense and defense. The students of Bossier High School can look forward to watching many of these boys in the near future as varsity Bearkats.

## VARSITY BASKETBALL

Under the firm hand of their new Coach, John McConathy, the Bossier Bearkats ended the season with a record of 26 wins and 10 losses. The 1957 squad was a good one and time after time proved itself to be well taught.

Although they had an unimpressive district record of five wins and five losses, the Kats proved their worth by winning first the Byrd Tournament and then later the Fair Park Tournament. To win the Fair Park Tournament they had to beat Belmont, a team boasting 61 consecutive victories. Belmont fell by a score of 60-55. Bossier then played Springhill, who had beaten them three times, but the Bearkats roared on to a 51-48 victory under the guidance of Coach McConathy and brought home the first place trophy.

The Bearkats scored a total of 2,000 points in 36 games to their opponents' 1,681; this is an average of 55.6 points a game.

Individual scoring was well divided between the top three scorers. Guard George Nattin, a junior, meshed a total of 503 points for an average of 14 points per game. George made four out of five of the All-Tournament teams. These were Minden, Bossier, Fair Park and Byrd, where he was also selected as the Most Valuable Player. Bobby Joe Howell, the husky 6'2" senior at center, had a total of 440 points

for a 12.8 average. Of these points 138 were made from the free throw line where he had a 73% average. Bobby received honors in the Byrd and Fair Park Tournaments where he was chosen for the All-Tournament teams. James Pendarvis, a senior playing the forward position, was next in scoring honors with 403 points which gave him an average of 11.2. Other members of the team who were hard workers and proved themselves dependable were Howard Bennett, Burgess McCranie, and Jerry Swint.

Bossier lost out in the District 1-AA race when they were upset by North Caddo 52-56 and then lost crucial games to Minden and Homer.

When credit is being passed out for a job well done there are nearly always two people left out. These boys are the managers of the team who worked hard and did their share in a different way to help the team to victory. They are George Adams and Herva Zachary.

Miss Pat Waggoner was chosen by the boys to represent them as their Sweetheart. Pat earned this honor by giving her loyal support and bountiful enthusiasm to the team.

The B varsity team had a record of 12 wins and 2 losses. The members of this team did a splendid job and were always ready to take over for the A team when they were needed.

fortunate enough to bring home any trophies. Senior guard, Roberta Booth, was selected for the All-Tournament team at the Minden Tournament.

In District 1-AA play, Bossier took second place by defeating Minden twice and Homer once and holds a 3-3 conference record. Since our district drew a bye in bi-district play-offs, the

girls have advanced to the regional play-offs to be held here in the Bossier gymnasium.

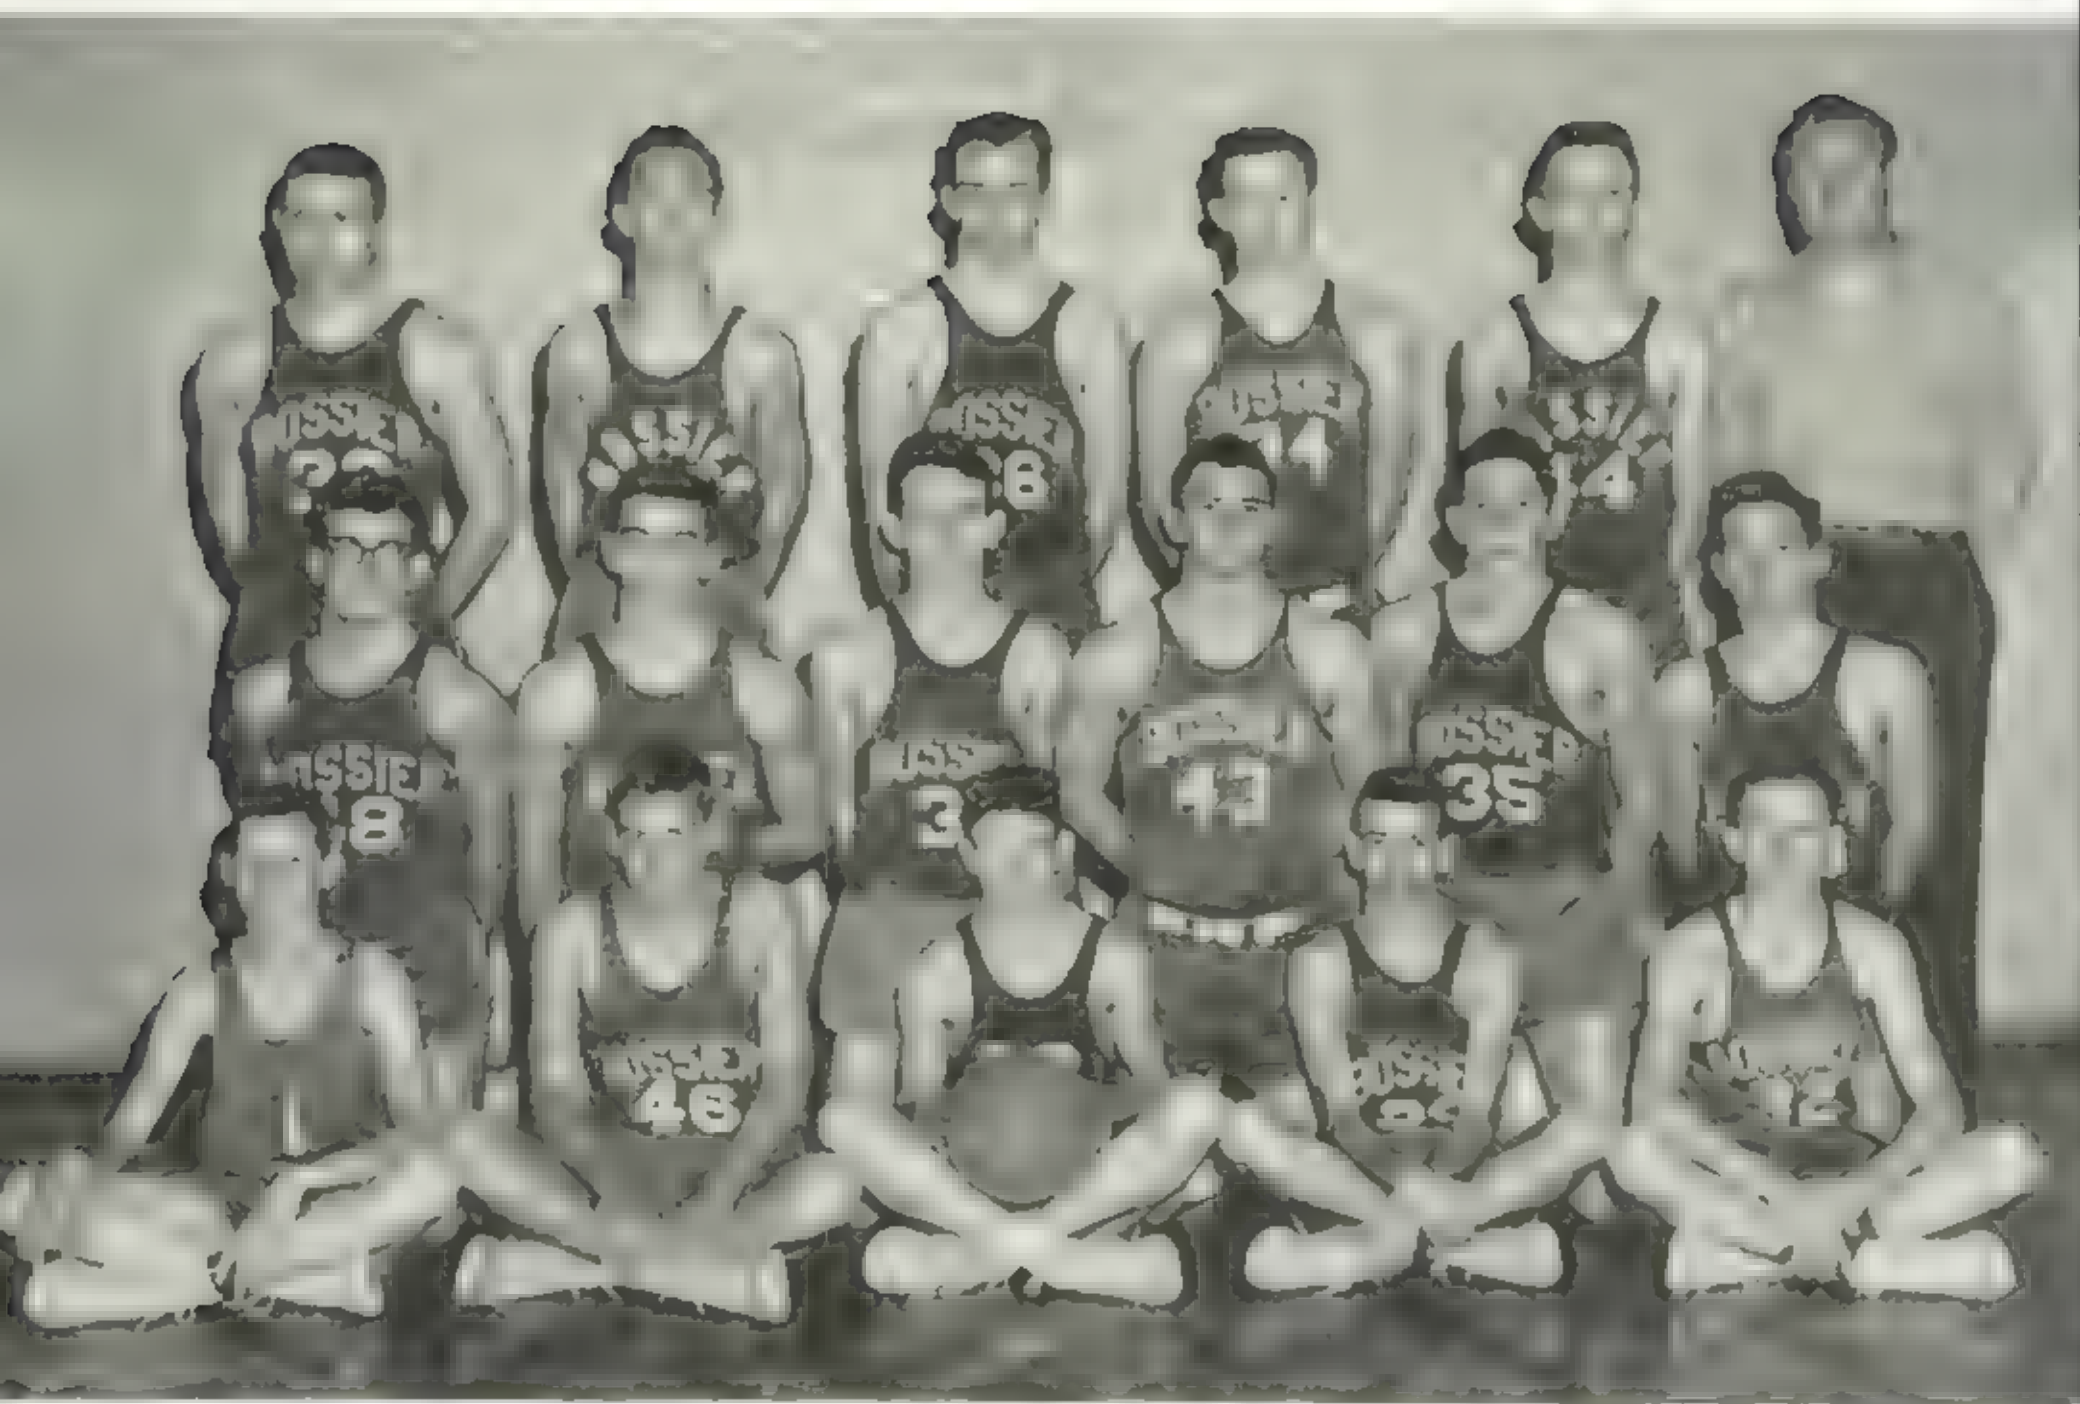

Senior members of the team are Judie De Maine, Roberta Booth, Jackie Weldon, Phyllis Mitchell, and Hank Taylor, manager.

The girls are looking forward to an even better season next year. With hard work and cooperation, they will make it so!

With six returning lettermen from the district 1-AA championship team of last year, Coach Charles Birtman is looking forward to an equally successful team for this year.

Despite the fact that five lettermen have graduated, great things are expected from the returning men and the newcomers. The high point man of last year was Bud Laughlin.

The lettermen who will return this year are Bud Laughlin, Melvin Statham, Andre Kurkiewicz, John Mercer, James Gault, and Charles Stevens.

As the season progresses, the squad should round into shape and be a contender for the state title.

The members are athletes who have earned a varsity letter. The club takes on several projects that always turn out to be a credit to school as well as the club. Over the past years there have been some very good projects.

One of the projects was the "Activities Signboard" that was placed in front of the school. Another project is the sponsoring of several school dances.

# ORGANIZATIONS

Gathering clothes for our friends overseas

Bossier High School Senior Y-Teens are an alert organization affiliated with the Shreveport Chapter of the Young Women's Christian Association. Each girl on becoming a member finds fulfillment of the desire to identify herself with an idealistic and social cause.

World citizenship took on a new meaning this year when boxes were packed and mailed to families overseas. This required plans for making money, collection of used clothing, and individual contributions. Interest in this activity was keen as each member assumed her responsibility.

The programs were planned for quality and plenty of participation for everyone. Several entire meetings were conducted by the worship chairman. Christian leaders of the community helped in providing meaningful worship experiences.

Social events and healthful recreation were not neglected. Basketball, swimming, and outdoor sports were participated in regularly. During brotherhood month the Y-Teen group attended church services of the various denominations.

## J U N I O R                      Y - T E E N S

Y-Teens is a Christian organization for the high school girls. The full purpose of the organization is to build a group of women with high ideals and morals, but most of all to make each a woman with strong religious convictions.

The Y-Teens programs have been colorful and still serious. The first program was a Style Show which showed all the newest fads and fashions of 1956 and 1957. Panel discussions and other types of programs were put on to help the girls solve some of their problems and to inform them about the work of the Y-Teens in previous times.

The main project this year was to help people less fortunate than ourselves to have a Merry Christmas by collecting canned goods and other essentials.

February is observed as brotherhood month. During this month this Y-Teen group visits various churches of different faiths and denominations in an effort to accomplish our purpose through fellowship.

Mrs. Dresser has led this group of Y-Teens successfully this year as our sponsor.

Officers discussing plans for the year.

This year Mrs. Johnson's Junior Y-Teens have been very active in all of their activities. They have planned and carried out many worthwhile projects.

Several times the two Junior Clubs had joint meetings to present a combined program. One of these programs was a style show, which was appreciated by everyone involved.

The officers, members, and the sponsor have all worked very hard this year to make the club a good one. They succeeded in doing this because everything they undertook was accomplished. The members of the club were satisfied with all the activities and each felt that a good job was done. Much of the credit goes to the sponsor, Mrs. Johnson, who helped greatly in all matters both bad and good.

The club is affiliated with the Y.W.C.A. in Shreveport which provides Y-Teens with all kinds of entertainment.

A Y-Teen Conference is held annually at Gulfport, Mississippi. At this conference our Y-Teen representative will learn new ways for our Y-Teen group to better serve its purpose.

## SOPHOMORE Y-TEENS

Miss Hall's Y-Teens chose "Helping those who are unfortunate" as their aim for this year.

One of the projects the club did was to collect magazines to take to the patients in the Confederate Memorial Hospital at Christmas. Another project was to collect food, clothing, and other items to give to a needy family.

Several cake sales have been sponsored to make money for their Christmas projects and other activities.

The club has had several parties which have been thoroughly enjoyed by everyone.

The sponsor Miss Hall and the members contributed much time and effort to complete a very successful year of Y-Teen work.

Although the two Sophomore Y-Teen clubs are divided they make an effort to work together for the benefit of both clubs.

Each year the Y-Teen girls make the much anticipated weekend trip to Camp Margaret, where they enjoy such activities as hiking, swimming, dancing, and other activities.

The reason for the club is to understand the meaning of Christian fellowship.

The girls are planning their Y-Teen programs

Mrs. Enis' Sophomore Y-Teen girls, consisting of about thirty, have big plans in store for the coming year of 1966-67. They started off the year with a goodwill project to help the White Chrismas by giving and wrapping Christmas presents for some needy families of Bossier City. The girls said that this gave them a feeling of good spirit.

It seems as though the majority of them are very much interested in basketball, so they are planning to organize a basketball team, which will participate in the Y.W.C.A. tournament this year. Lots of luck to you girls, and bring back that trophy

Other things they have planned to do in the following months include a fashion show, many social events, a goodwill campaign, and other activities such as programs on etiquette, religion, talent, and many others

The group expects to learn as much from these events as they hope to teach. The group has a great deal of work ahead of them to carry out their plans

The members of the Y-Teen Club are girls of the Freshman class. They have thirty-one members and meet twice a month.

The purpose of this club is to create, maintain, and extend throughout the school and community the standards of a fine Christian character and to make higher standards in our everyday life. Their slogan is: Pure thoughts, purer words, and pure actions.

The emblem of the Y-Teens is the triangle which exemplifies the threefold purpose of the Y. W. C. A.; to grow in spirit, in mind, and in body.

For one of their projects this year they have adopted a family with whom they are sharing their blessings. Many of the other clubs are also helping families that are in need of food, clothing, and other articles.

This club has also formed a basketball team. It will participate in the Y. W. C. A. Basketball Tournament in February.

To make club participation more interesting they have chosen a name for our Y-Teen club, Y-Teenettes.

A Y-Teen Club is a way of life that makes life so much fuller. It is an opportunity to understand others by breaking down the barriers of hate, greed, and wealth. In working toward their goal they need cleanliness in body, mind, thought, and purpose.

As they join in an effort for growth and building, they add a cry for more than mere existence. Fun and beauty is needed too. They find beauty in singing, in playing, and in working together.

They seek to understand Christian principles, that they may grow in the knowledge and the love of God

They desire to prepare themselves to take a part in the building of our world and building our fellowship with others.

During the year they will have projects, such as cake sales to provide for the activities they plan for the year.

One of their many projects that they have planned for this year is the making of cartoon books for the children, who are patients in the Confederate Memorial Hospital.

On December 18, they were host at a Christmas party for the entire Freshman Y-Teen clubs.

This club entered a basketball team in the Young Women's Christian Association tournament. This team was coached by Mrs. Ray, their sponsor.

They chose one of their members to represent them at the Y-Teen Inter-Club Council meetings, and to make reports on what other Y-Teen clubs were doing as projects and the type of programs they have.

Their goal is to follow the Christian way of life, and to strive to be better workers and members of our school and club.

To climax this club year they are going to Camp Margaret in the spring.

The Junior Hi-Y is a very active and outstanding organization. It is a Christian organization sponsored by the Bossier Y. M. C. A. The club is based upon the National Hi-Y purpose and platform and is interested in promoting Christian relationships within our school and community.

Since the Hi-Y believes in service to others, this club plans to devote more time this year to fulfilling this pledge by means of worth-while projects.

Each year this club takes an active part in some important world service project. They also participate in the outstanding community projects such as: the Joy Fund, the Polio Drive, and their voluntary community "clean up" committee.

This club also participates in the various athletic activities sponsored by the four groups of Hi-Y, social events, and camping trips.

The club was well represented at the State Hi-Y Convention in Monroe this year, with four members of their club attending.

The Sophomore Hi-Y is one of the outstanding organizations in Bossier High School. It is a Christian organization sponsored by the Y. M. C. A., striving to broaden the boys' belief in God and their fellowmen.

They strive to create, maintain, and extend throughout the school, home, and community, high standards of Christian character.

One of the activities which is carried on is the annual Christmas tree sale. The proceeds are used for sending representatives from our school to the annual state wide Hi-Y convention held at Monroe, Louisiana. The representatives always enjoy the convention and bring back wonderful ideas and information. The Sophomore Hi-Y is a Christian organization for boys. The club is sponsored by Mr. Frank McCuller. This club takes an active part in all the school events and activities. They are in hopes that their programs will prove of great importance in that they bring about a thoughtful consideration of the basic problems facing us, the youth of today. The purpose of the Hi-Y is: To create, maintain, and extend throughout the school and community high standards of Christian character.

This year one of their projects was to help promote the annual White Christmas at the school. All of the students were urged to bring gifts which were placed under our school tree and later distributed to needy families in the city. They also joined the other Sophomore Hi-Y in a Christmas Tree Sale to raise funds to send delegates to Monroe to the annual State Hi-Y Convention.

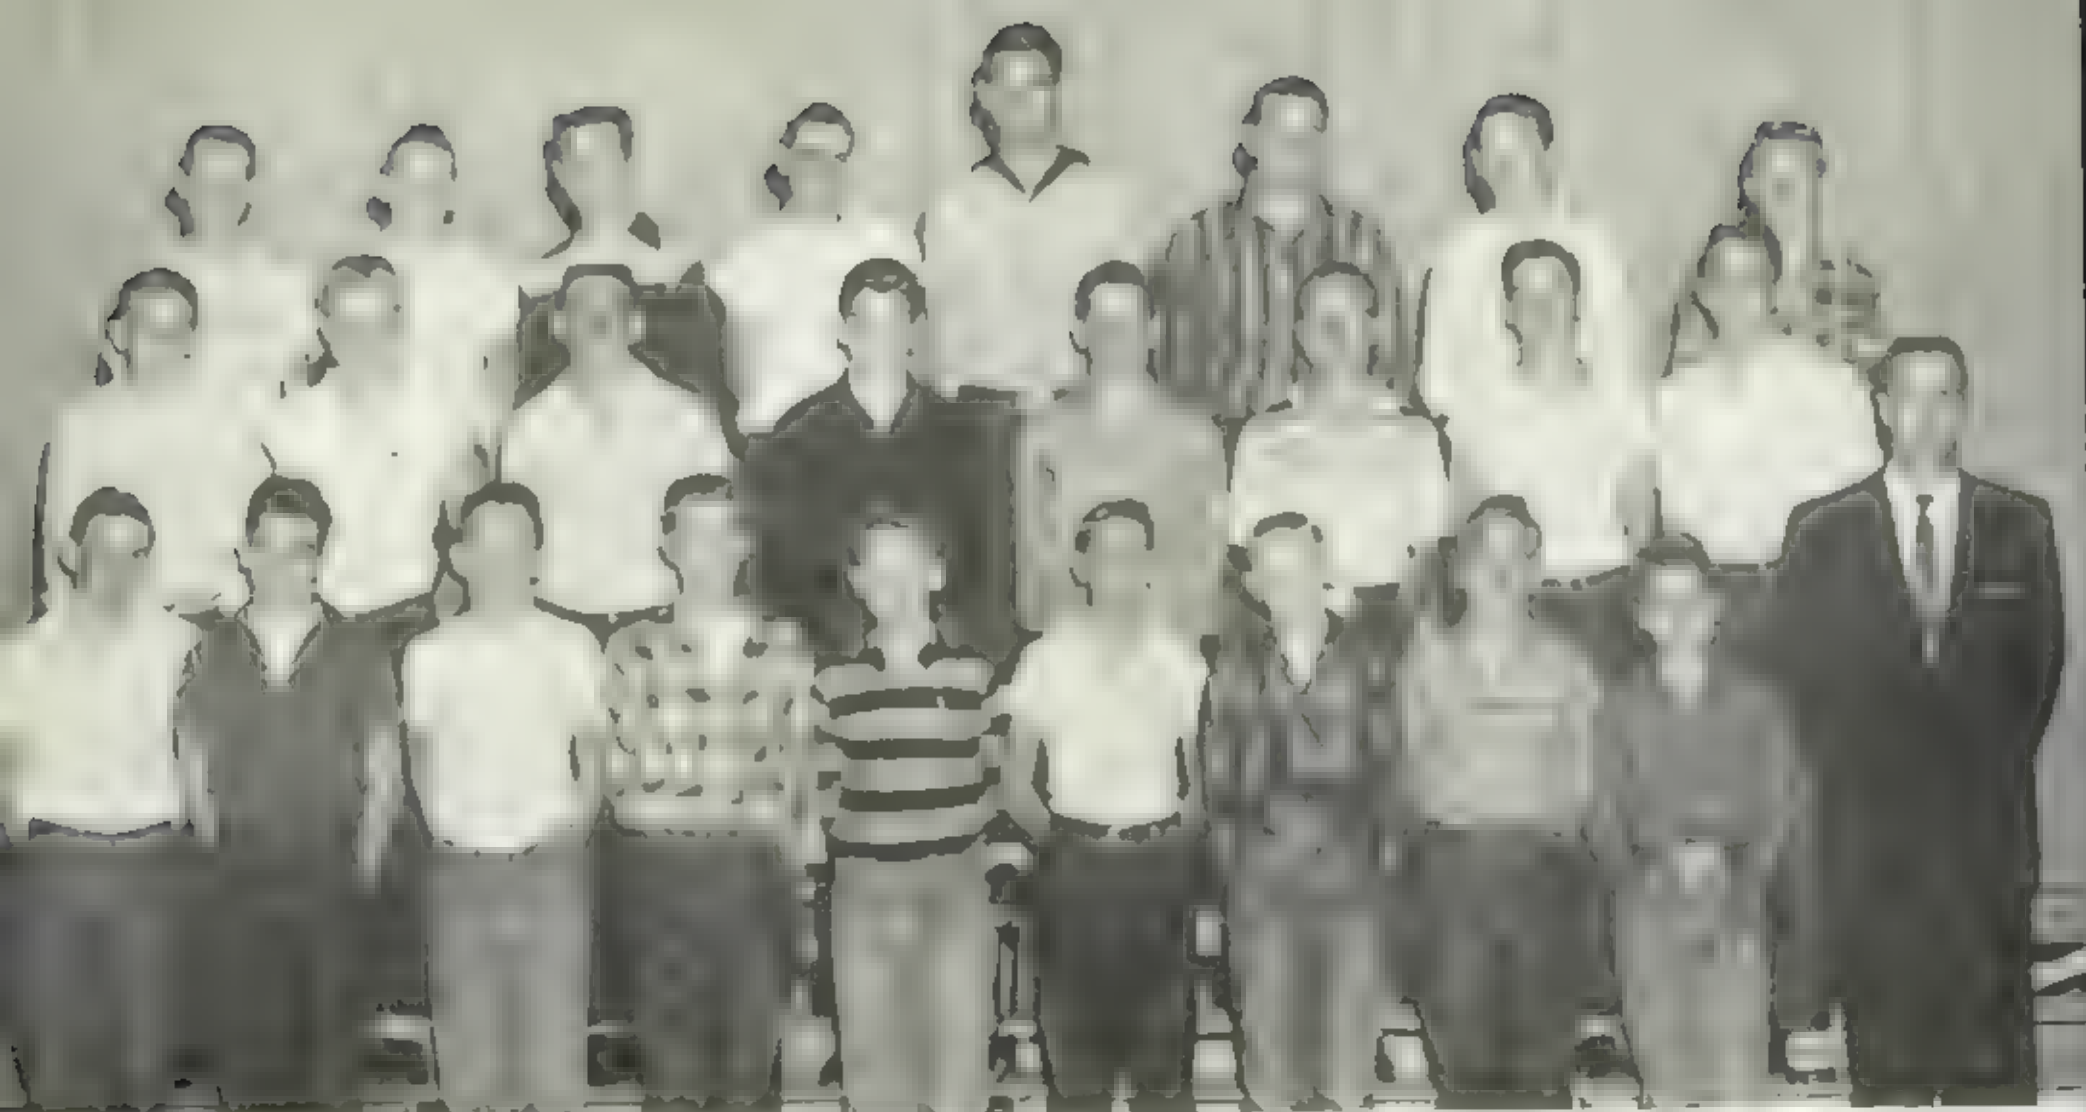

They took part in a Hi-Y basketball league and enjoyed it very much. This club has found there is fun to be had in both Christian work and play.

Officers make plans for the State Hi-Y Conference in Monroe

The Freshman Hi-Y is interested in furthering their Christian relationship within the school. They are also interested in promoting clean living and character

The Freshman Hi-Y from our school and other schools have basketball teams. Each year the Y M C A. holds a tournament for these teams. This has improved the relationship between the schools in this area. For several years the Bossier Freshman Hi-Y has won this tournament.

Each year this Hi-Y group sells mints and the proceeds go to help children overseas, who need help so desperately

Another annual event is their outing. This is held at the boys' camp on Lake Bistineau for two days and one night

There is a Hi-Y Convention held each year and this group sends several delegates. The delegates get many ideas which are used profitably by the club

The Bossier High School Freshman Hi-Y is one of the many clubs Freshman boys may participate in. The main purpose of this club is to promote better Christian relationship within our school and other schools. This year they have a new sponsor, Coach McConathy, who is sure to do the club credit.

Over the past few years their project has been selling candy mints, and the proceeds go to help children overseas, who need help so desperately

Each year the Freshman Hi-Y of each school has a basketball team. Then a tournament is held by the Y. M. C. A. For several years the Bossier Freshman Hi-Y has won this tournament.

Another annual event is the outing at Lake Bistineau. This outing is generally two days and one night of outlandish fun.

Each year a Hi-Y Convention is held. The delegates at this convention have a lot of fun, and bring back information that aids the club

The officers are planning their trip to State Hi-Y Convention.

The Future Teachers of America seek to enable its members to study and to identify the qualities, traits, and aptitudes which are basic or related to successful teaching.

The Future Teachers require an understanding of the history and development of our public schools, their purposes and objectives and an appreciation of the contributions they have made to our democratic, free society.

Future Teachers learn about teaching by taking over a class in the absence of a teacher.

On graduation each member is given a certificate called Statements of Merits, showing the number of Merit points earned by working on worthwhile projects.

This year, as in previous years, the Future Teachers of Bossier High School plan to sponsor numerous projects such as cake sales and rummage sales, to finance a trip to the annual Future Teacher's Convention. This convention is held on the Louisiana State University campus and lasts for several days.

The first Future Nurses Club in Bossier and Caddo Parishes was organized at Bossier High School in October, 1953. The sponsor Miss Doris Freeman, has done a wonderful job in directing the members of the Future Nurses Club. Many of the past members have gone into the field of nursing and are now in training

Throughout the year the club has many worthwhile projects. One of these is the distribution of candy and small toys to the children in the local Confederate Memorial Hospital at Christmas time. The club also has charge of the American Junior Red Cross drive in the school

The Future Nurses Club is open to anyone who is sincerely interested in being a nurse or working in the medical field. The success of this club depends on the cooperation of the members within this fine organization. They have been doing a wonderful job this year with the help of their sponsor.

The purpose of the Future Business Leaders of America is to gain further knowledge of the world of business and to provide the knowledge to those seeking it

A chapter of the Future Business Leaders of America was organized at Bossier High School in 1954. To become eligible for membership a student must be enrolled in some kind of a commercial subject. This club is made up of boys and girls planning a life in the business world

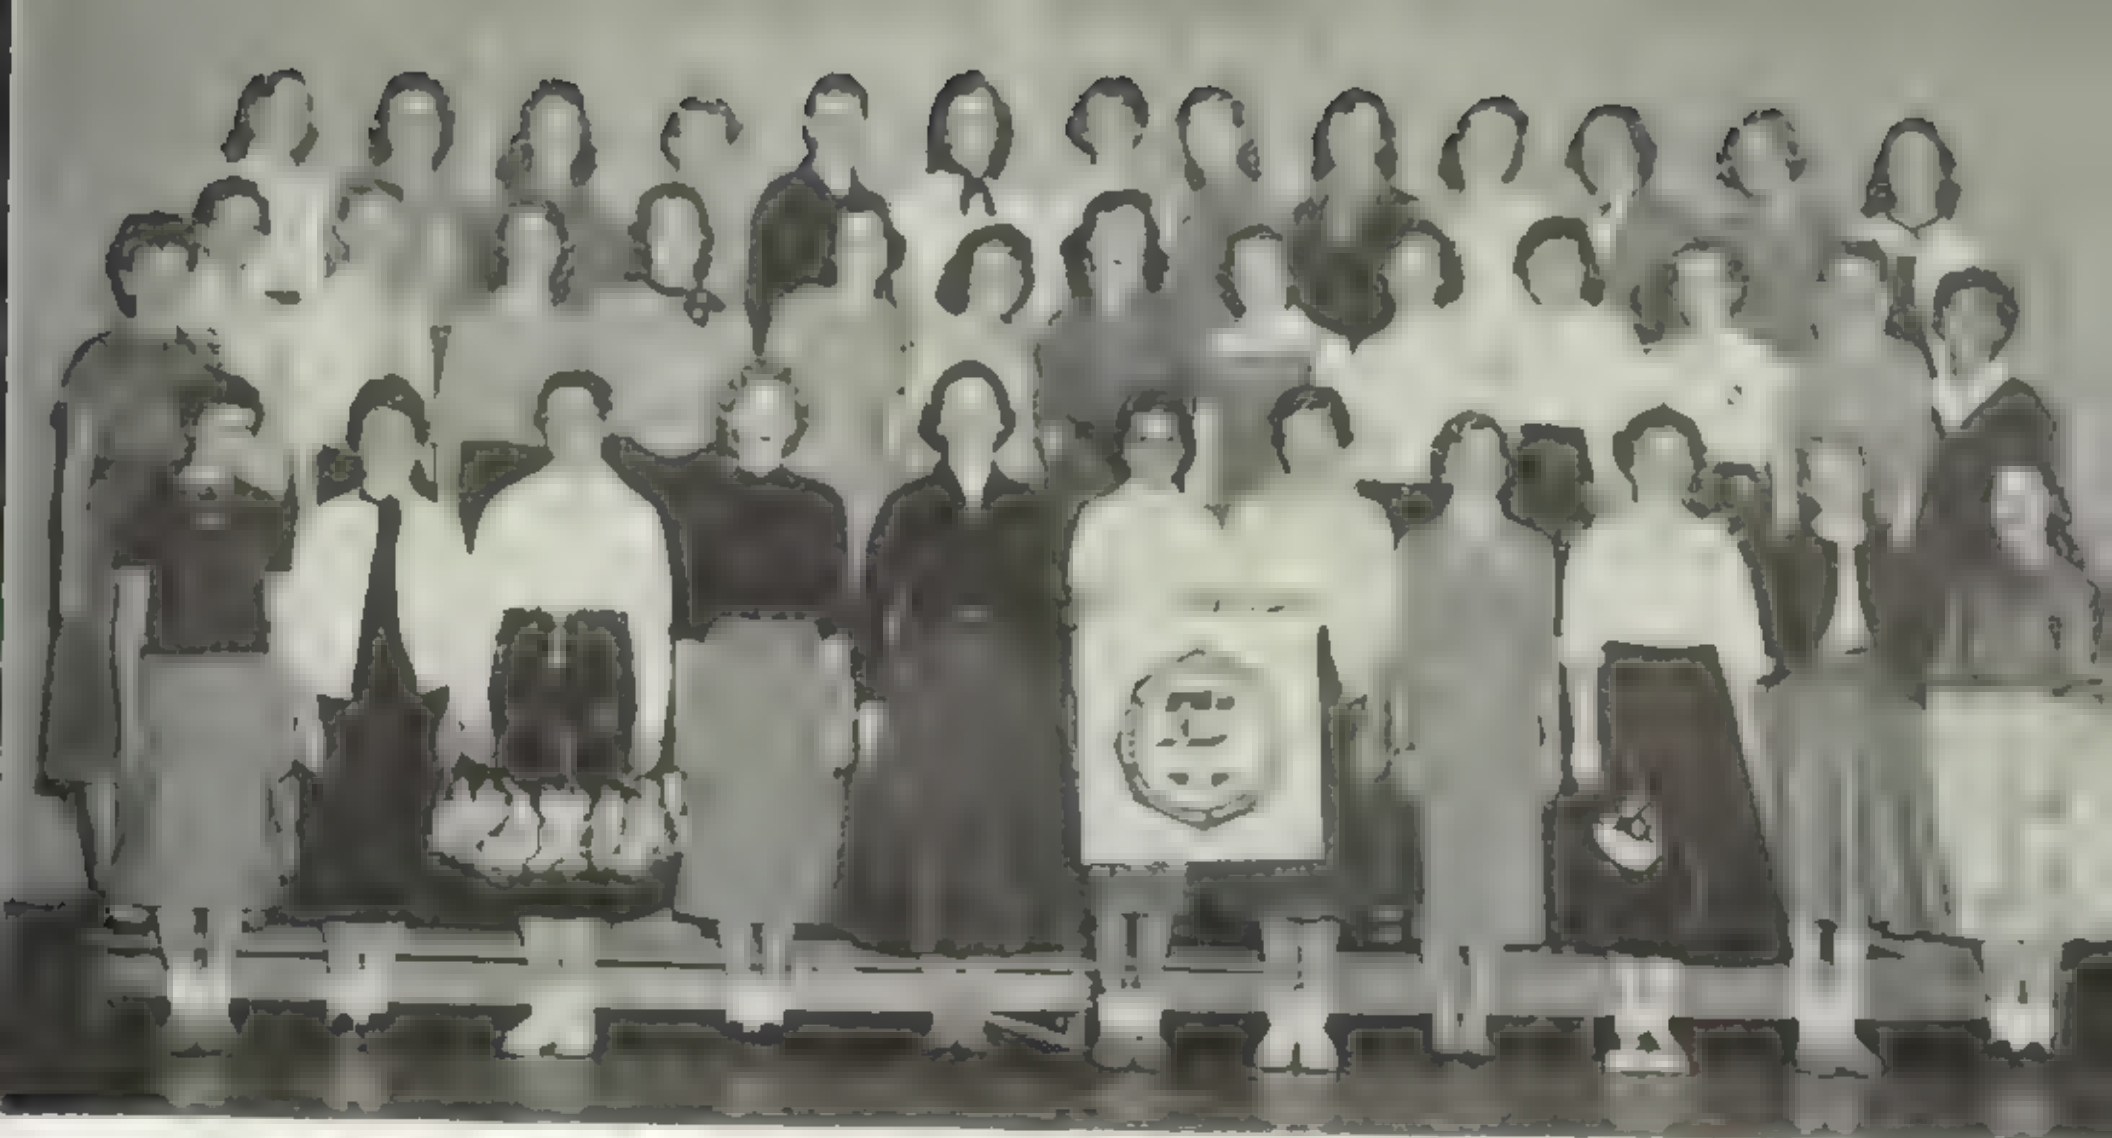

This year they plan to learn much by their programs. They also plan to have someone from the Powers School of Modeling show them how a good secretary dresses. They plan to visit the bank and learn how their business is conducted. Also planned are visits to several of the local business colleges to find the courses offered to a business student

They hope to attend the State Convention for the Future Business Leaders of America, and make this their biggest and best year

## FUTURE HOMEMAKERS CLUB

The Bossier Chapter of the Future Homemakers is composed entirely of girls studying high school home economics.

Through this club, along with thousands of other clubs throughout the United States girls interested in home living conditions, and better homes are brought together to take part in the solving of problems concerning the home, and to share in activities of the club. This work will increase their leadership and civic abilities.

The standards set up by this group of girls present to us a preview of how homes will be run in the future.

Organized in June of 1945, this club is affiliated with both state and national organizations. Representatives are sent each year to the Future Homemakers State Convention held in Alexandria, Louisiana. Representatives are also sent to the Northern District Meeting in Ruston, Louisiana.

In the 4-H Club members learn to think for themselves in working with their individual projects. They also learn to follow rules and regulations in contests.

Numbering among their many projects for the present year is the growing of sweet peas for the 1957 Junior and Senior Banquet. Each member is participating with interest.

Habits of health, honesty, truthfulness, and self respect are taught in the club. These experiences help them to fill their places in society and to grow to be a better citizen year by year.

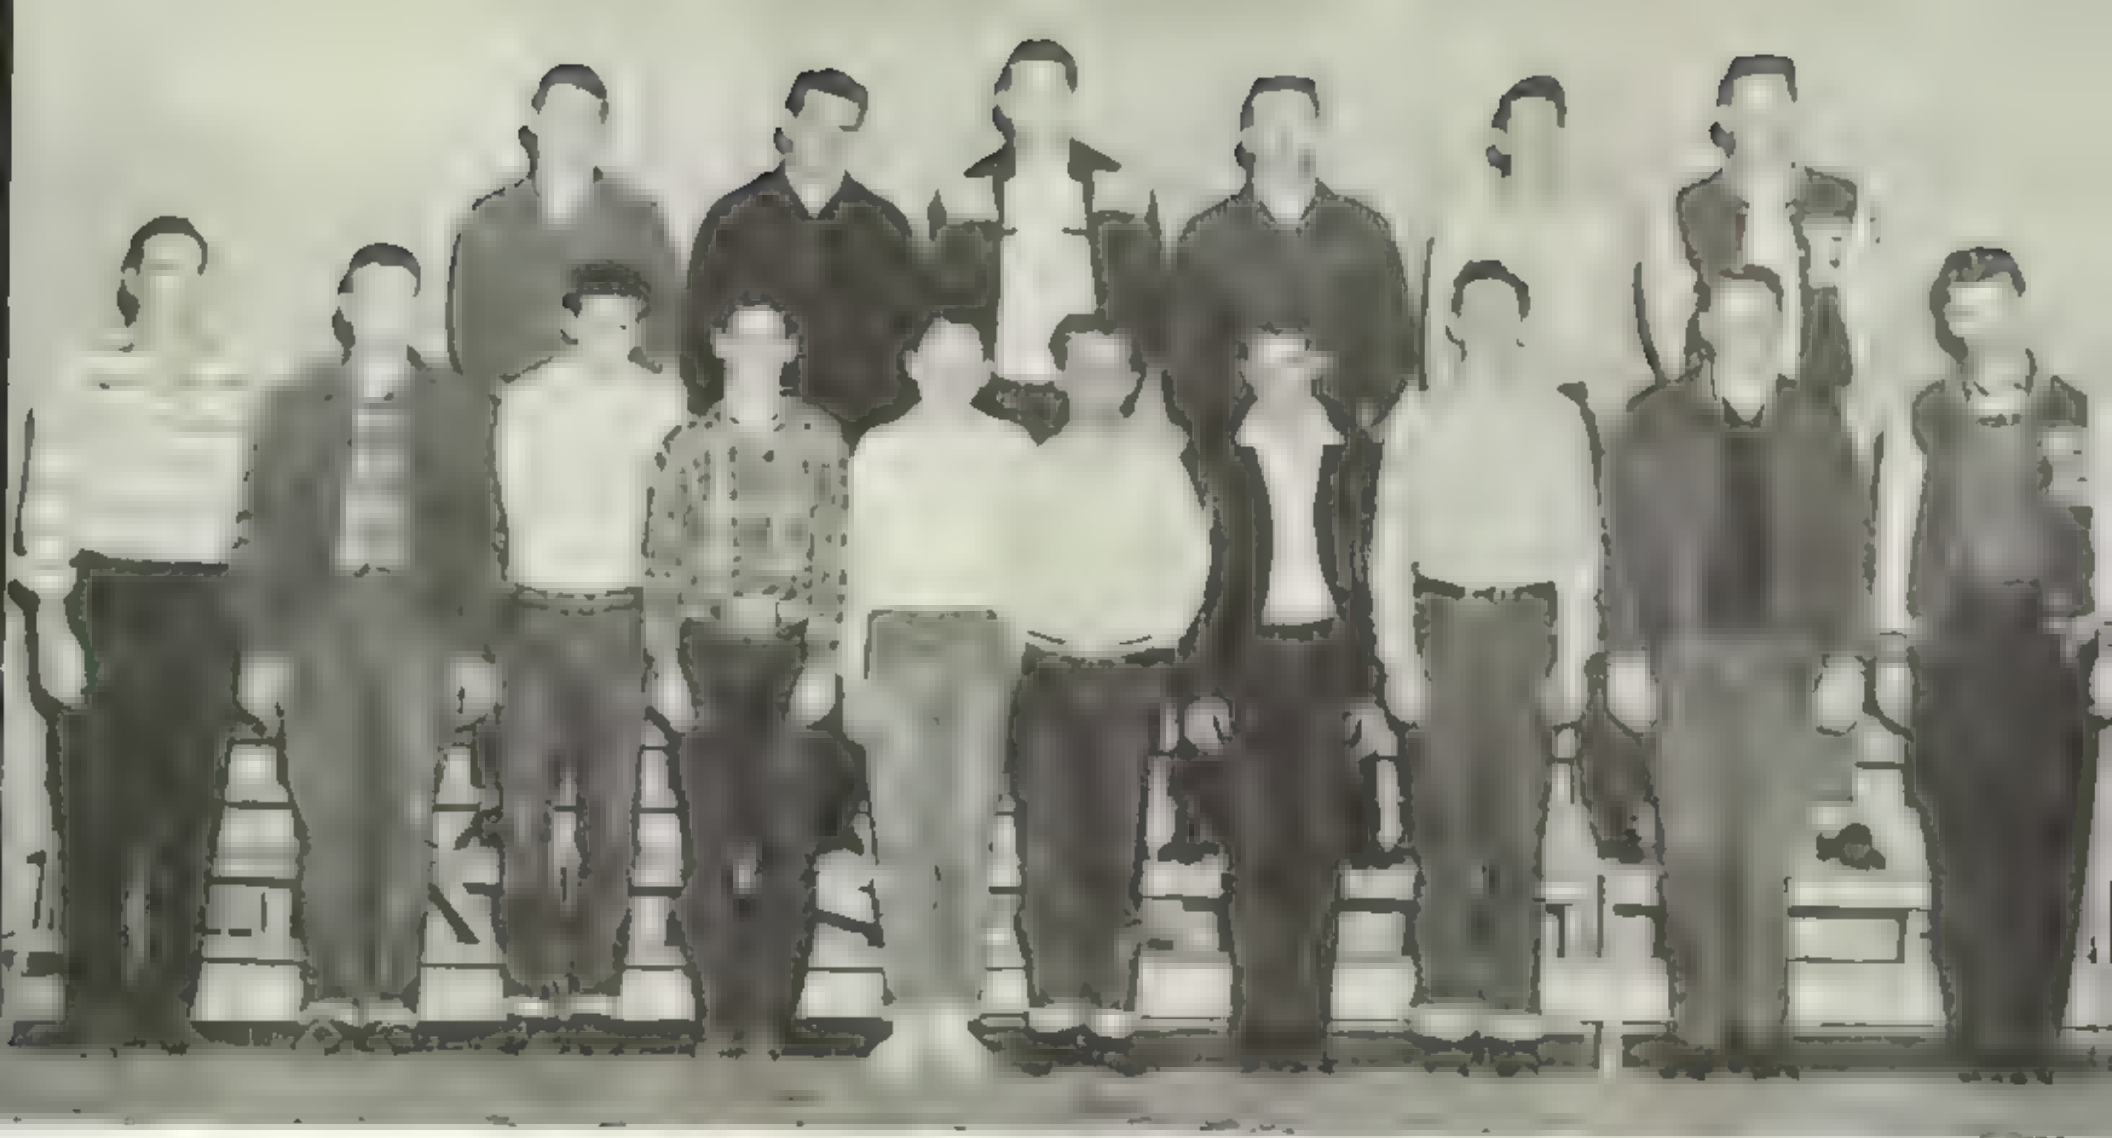

The big day of the year for the club is Achievement Day, held each spring, in which all clubs of Bossier Parish meet to compete with each other in the work done in their respective clubs.

The 4-H pledge is as follows: I pledge my head to clearer thinking, my heart to greater loyalty, my hands to larger service, and my health to better living for my club, my community, and my country.

## INDUSTRIAL ARTS CLUB

The Industrial Arts Club was organized in the fall of 1956 to take the place of the Handicraft Club. Much of the credit of this club goes to Mr. Johnston, the sponsor. He has helped the boys in all of their projects.

The purpose of the club is to permit interested students to further their knowledge in industrial arts. This is made possible by a club of this type.

Some of the members have started projects in advanced leather work, art work, metal work, and work on the lathe. On completion of these projects, they will be entered in the Industrial Arts Award Contest held annually at Northwestern State College, in Natchitoches.

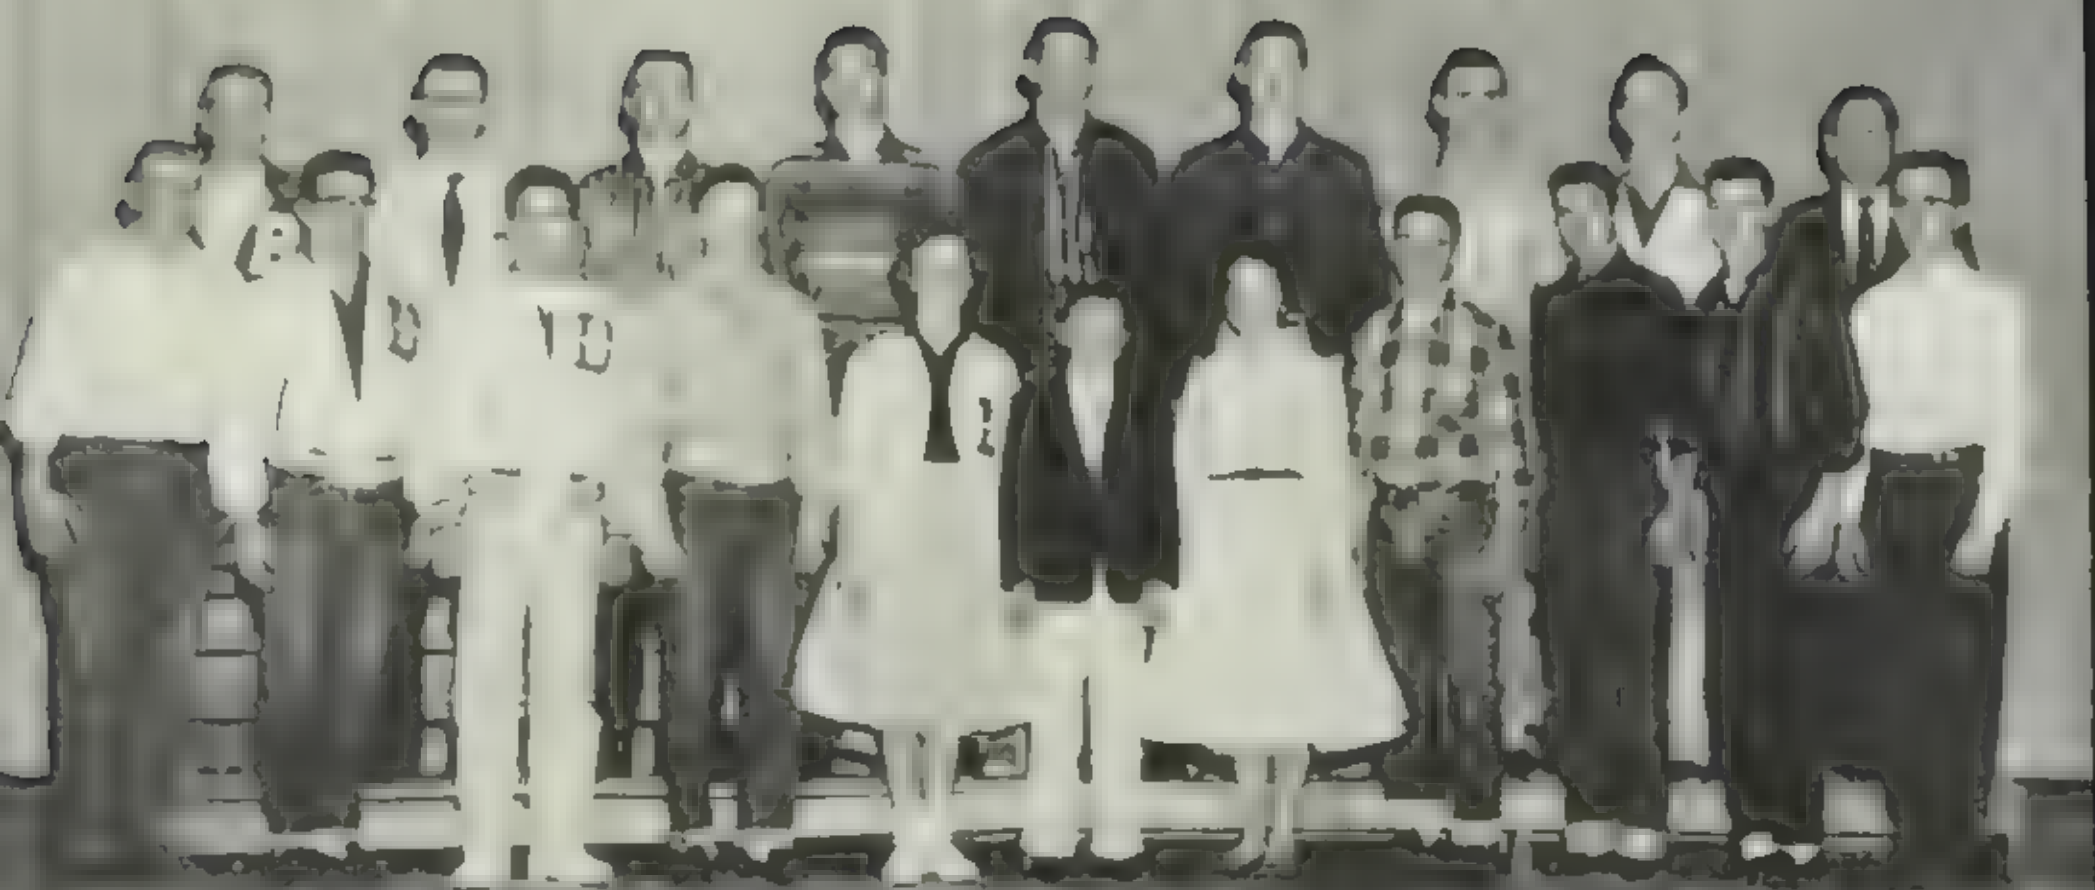

Along with the different projects offered during the year the club also is planning on taking a number of field trips to the surrounding industrial firms to further their knowledge in the different industrial arts.

## STAGE BAND

### OFFICERS

JERRY MALONE	President

The Bossier High School Stage Band is a new organization under the direction of band director, Mr. Kenneth Green.

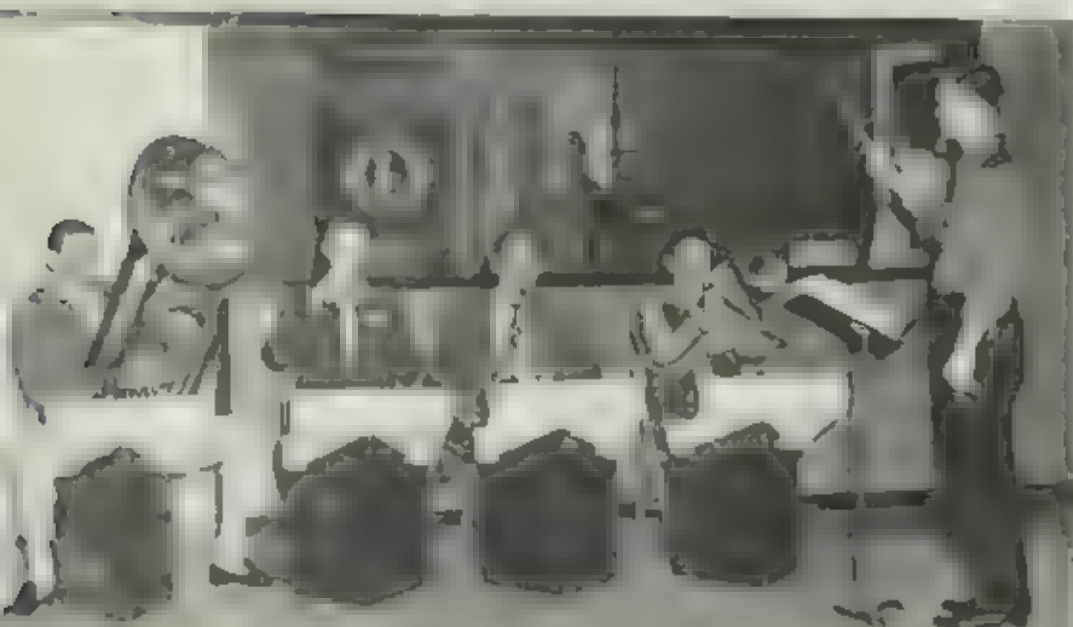

Because of the demand for popular and standard music in various school activities, the band studies and plays this music so that in the future they may give concerts or perform for the school. The main purpose of the band, however, is that the members may enjoy music more.

Many ideas for projects will be considered as soon as the band gets "on its feet."

Qualifications for membership are (1) you have to be a member of the Bossier High School Band, (2) you have to play one of the following instruments: alto sax, tenor sax, baritone sax, trumpet, trombone, clarinet, trap drums, or the piano. Vocals may also be considered, but in order to be a member, you will have to try out for your position.

Although progress seems slow, the band will be better organized by next year and will be making performances before this year is out.

"Practice makes one perfect."

The Bossier High Key Club, under the sponsorship of the Bossier City Kiwanis Club, has worked very hard this year. With the help of two sponsors from the Kiwanis Club, Bob Kilgore and D. L. Patrick, and the faculty sponsor, Coach Robert Horneman, they are striving to improve their club.

The Key Club is composed of members from the Sophomore, Junior, and Senior classes who wish to serve their school and community through their initiative and leadership. Before a person becomes a member of the Key Club he must be scholastically qualified, of good character, and have leadership ability.

During the year they promoted several projects. Before Christmas they sponsored the annual "White Christmas." During the March of Dimes drive they held a dance for which all proceeds were turned over to the Polio Fund. Also peanuts were sold at the basketball games to aid the drive. Another project on which they work very hard is the annual Girls' Football Game. The proceeds were used to help send the band to Florida and to help send the cheerleaders to cheerleading school this past summer.

The Dramatics Club is a branch organization of the National Thespians. Anyone can join the Dramatics Club if they are really interested in dramatics

The purpose of the Dramatics Club is to teach the fundamentals of the stage, the art of putting on plays, make-up, and the various other things connected with the stage. It also provides a means by which to gain enough points to become a National Thespien. Points are earned in many ways such as making posters, being on stage crews, having parts in plays, and various other ways

Mrs. Dresser is the sponsor of this club. She volunteered to sponsor them even though she has a very busy schedule. Mrs. Dresser does a very capable job as sponsor.

As the main activity for the year, they plan to put on two plays. One, "Have You Seen Red?" for one of the hospitals in the area, the other, "Aunt Samantha Rules the Roost," was presented to the public on March 14, 1957.

Study of the application of scientific principles and methods and a devotion to the furtherance of scientific knowledge are reasons why the Senior Science Club has continued to grow and progress

Composed of the eleventh and twelfth grades, the club is a member of the "Science Clubs of America" and holds several memberships in the Centenary Division of the Louisiana Junior Academy of Science

Under the leadership of the new sponsor, Miss Oneta Hodson, the club has assisted in the planning and presentation of programs for district meetings composed of clubs in this area. This district centered around Centenary College has served as a model for the formation of similar district organizations located around other colleges in the state

Its members work on projects covering various scientific fields and enter them in fair competition. Outside sponsorship from industry has been secured in the last few years. These sponsors assist the students that are working on projects. The most deserving ones are taken to the State Science Fair

This year they are fortunate to have their own club. In the past they have been joined with the ninth-graders. This club, formed at the beginning of the school year is a step in the advancement of the science work at Bossier High.

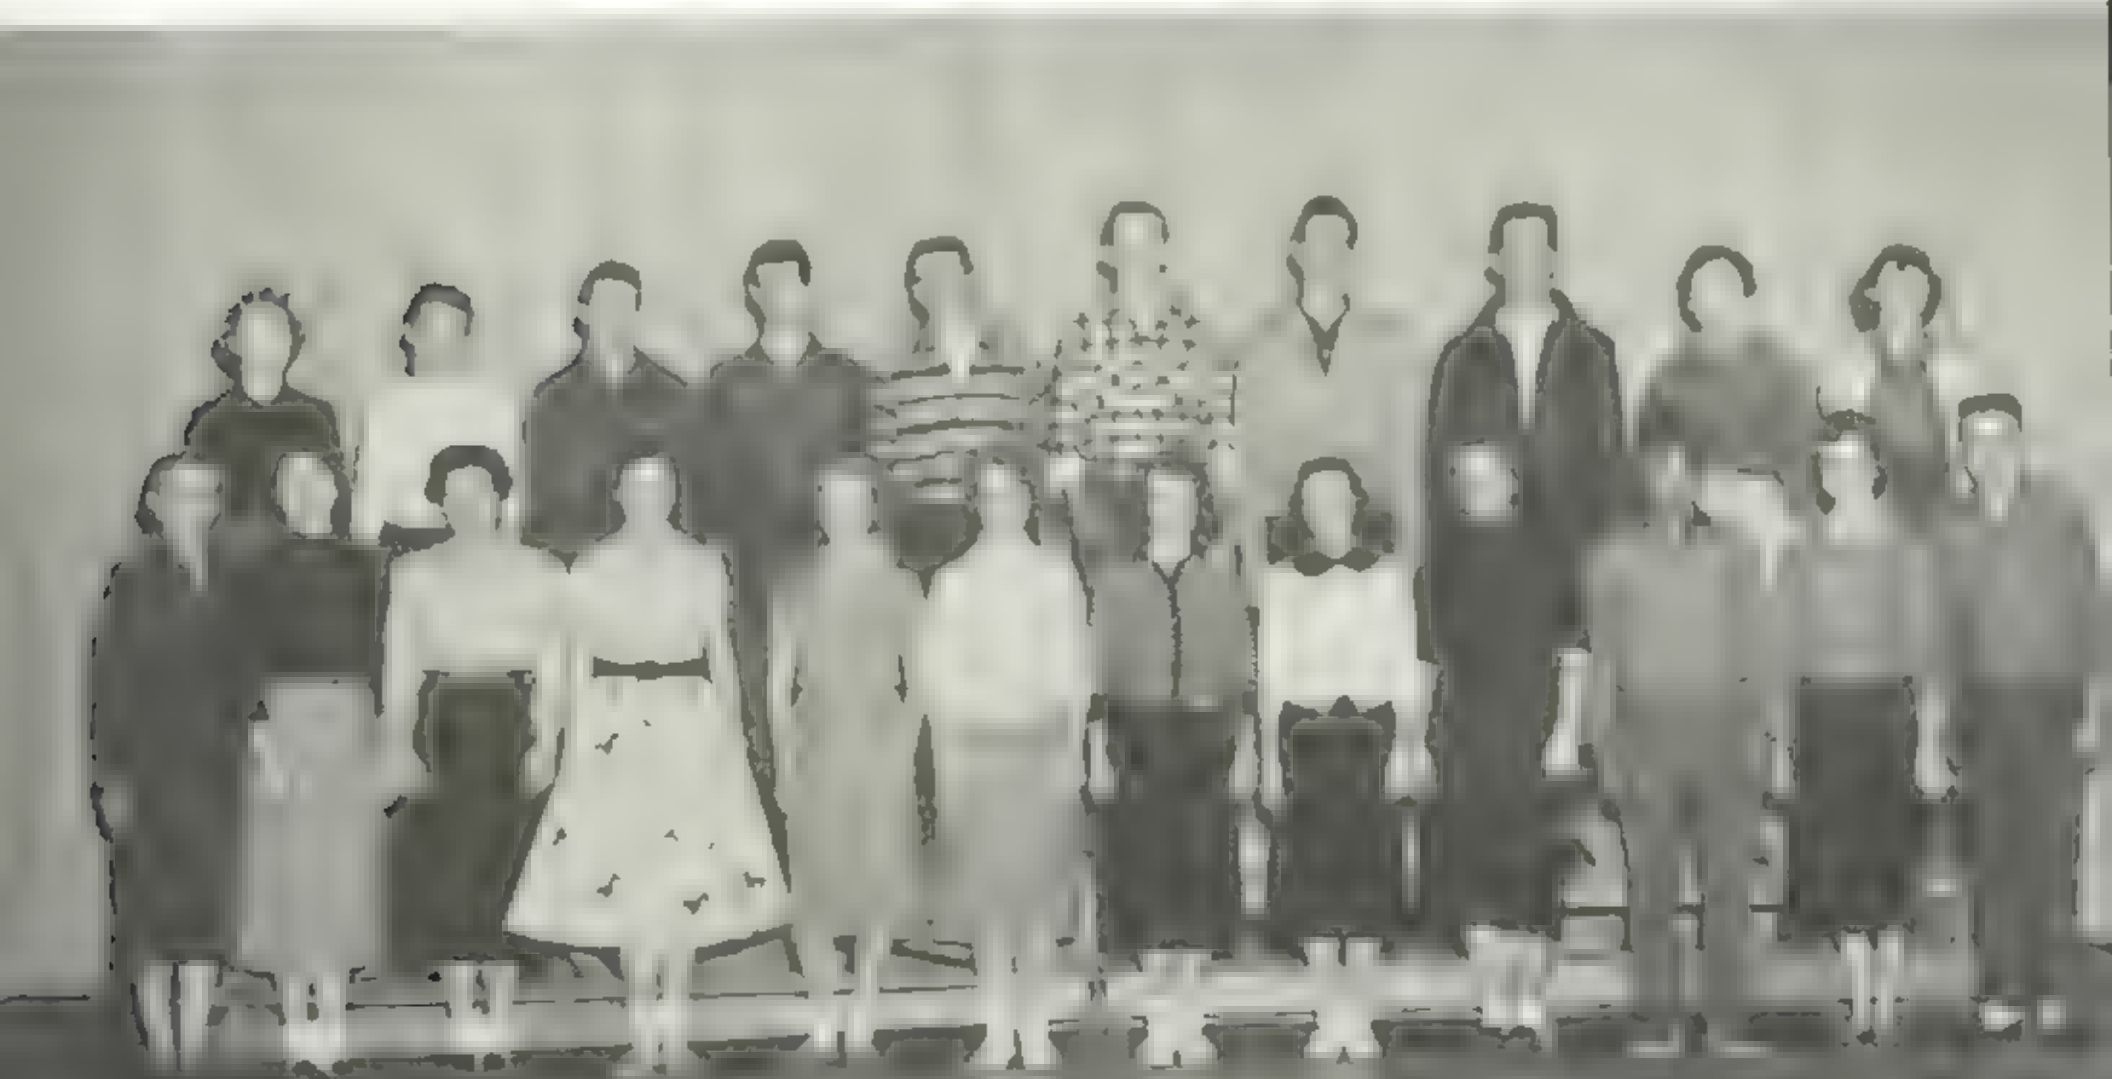

All of the club members strive to further the advancement of scientific knowledge. Members of this club operate as a separate unit with their own officers, yet they strive to cooperate closely with the Senior Club in all activities.

During the year science projects are made by students and are entered in the Junior Division of the Centenary Regional Science Fair. All projects receiving recognition there are then sent and entered in the State Science Fair, which will be held at Alexandria, Louisiana. If they receive recognition there they will then go to Los Angeles, where the National Science Fair will be held.

The success of this club depends upon the enthusiasm that the members show for their work. Plans are being made now for the future of the Science Club.

## SOPHOMORE SCIENCE CLUB

## FRESHMAN SCIENCE CLUB

The Ninth Grade Science Club is fairly new and is planning to make this year as successful as possible. The sponsor is Mrs. Ruby Fitzgerald, who also sponsors the Sophomore Science Club. Having both of these clubs keeps the sponsor quite busy. Therefore, the club has two members of the Senior Science Club to help them with their projects.

The club has many worthwhile projects in mind for this year. One of these projects is to raise money to buy black curtains for the club room to show slides and movies.

Members of this club prepare science projects which are presented for entrance in the Junior Division of the Centenary Regional Science Fair. Projects receiving recognition are then eligible for admission in the State Science Fair in Alexandria, Louisiana. If the projects receive recognition in the State Science Fair they will then be sent to Los Angeles, California where the National Science Fair will be held.

Plans were made to help develop this club into one of the best science clubs at Bossier High School.

## Autographs

Harry,

Let me hear from you  
writing you in my  
secret & second friends.  
We have gathered  
this list a lot of  
names. I hope we  
will be very good  
friends. The three  
more years of B.H. S.

Yours

Tom
